Greetings Eta Delta members, alumnae, and friends,

Soror Woods and I are pleased to congratulate you as you gather to celebrate your chapter's 40th anniversary.

What a milestone -- 40 years of service! From a nucleus of eleven visionary charter members, Eta Delta's roll lists hundreds of outstanding leaders who have epitomized service. Not only have you **taken the community by storm** – you have displayed personal excellence (scholarship), shown your commitment to each other (sisterhood) and **embraced with love** the Texas Woman's University, Denton, and Fort Worth communities (service) since 1970!

Eta Delta's legacy is a benchmark for all chapters. You have shaped leaders and willingly shared them with their respective communities and the Delta family as well. Originally chartered as a City-wide chapter, Eta Delta has supported the growth of campus chapters at Texas Christian University and the University of Texas at Arlington, and produced leaders like Past Chapter President **Maiya Bangurah**, who now serves Delta on the National Membership Services Committee!

The growth and success of Delta Sigma Theta Sorority, Inc. is largely dependent on having strong and capable chapters like yours, with committed members and advisors who keep the torch burning bright. Soror Woods and I salute your 40 years of sisterhood, scholarship, and service, and look forward to your next 40 years. Enjoy your anniversary celebration!

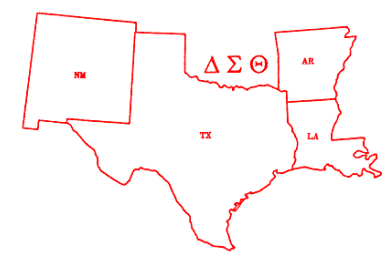

In Sisterly Love,

Mae Frances Rowlett
